A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

City of Koyuk	=	City
Norton Sound Health Corporation	=	NSHC
Alaska Native Tribal Health Consortium	=	ANTHC
Denali Commission	=	Commission
Cooperative Project Agreement	=	CPA

On Nov. 3, 2003, ANTHC and Norton Sound Health Corporation executed a CPA authorized by the Denali Commission to construct a small health clinic, including space for behavioral and dental health, in Koyuk, Alaska. Project activities included design, construction planning, site preparation, materials and equipment, construction, and labor.

The project was funded with \$1,113,652; also, \$31,182.26 was provided to pay for ANTHC professional operations charges. Funding was via Denali Commission Financial Assistance Award No. 0100-DC-2003-I13, dated July 2003.

On Dec. 7, 2004, ANTHC and Norton Sound Health Corporation executed an Amendment No. 1 to the CPA to reduce project funding by \$36,291; the amount provided to pay for ANTHC professional operations was reduced by \$1,016. The funds, totaling \$37,307, were redistributed to ANTHC Project No. AN 04-G96 (City of Teller), via Denali Commission Financial Assistance Award No. 0100-DC-2003-I13, Amendment No. 2, dated September 2004.

B. REVISION OF PROJECT FUNDING

The reduction of \$1,016 of ANTHC professional operations funds cited in Amendment No. 1 was incorrect. This Amendment rescinds that reduction. Consequently, the amount of ANTHC professional operations funds for this project totals \$31,182.26.

Project funding therefore totals \$1,108,543.26.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost
					Denali FY03
M-CL	Construct small clinic	1	LS	1,077,361.00	1,077,361.00
Koyuk Award					\$1,077,361.00
M-PP	Professional Operations Charges				31,182.26
Total Award					\$1,108,543.26

This document constitutes Amendment No. 2 to the CPA to construct a small clinic, including space for behavioral and dental health, in Koyuk, Alaska. All other sections of the original CPA and/or Amendment No. 1 remain in effect as agreed upon and executed.

MEMORANDUM

DATE: May 29, 2007

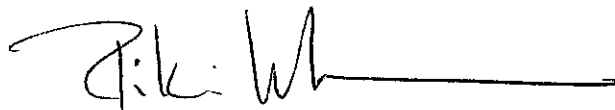

FROM: Environmental Coordinator, Division of Environmental Health and Engineering

SUBJECT: Koyuk Funding Revisions – No Environmental Review
Project No. AN 03-G79, Amendment No. 2

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in October 21, 2003 with respect to the construction of a health clinic in Koyuk, Alaska. This memo reflects funding revisions to the project and does not change the scope or impacts reviewed in the original document.

The ANTHC will revisit past environmental reviews to determine if potential environmental concerns have been addressed if the scope of work is modified.
